Mohair

Le sfumature di colore morbide della lana si uniscono alla morbidezza del tessuto in un unico formato 6x24,6 ideale per pose di design.

Gli 11 colori della collezione nelle loro lievi variazioni di tonalità di colore si esaltano nell'attenta disposizione dei pezzi in numerosi schemi di posa sia a pavimento che a rivestimento.

The soft color shades of wool combine with the softness of fabric in a unique 6x24.6 format ideal for design poses.

The collection's 11 colors in their slight variations in color tones are enhanced in the careful arrangement of pieces in numerous laying patterns for both floor and wall coverings.
